Greetings Nobles and Ladies,

Holy cow - did we have fun at CSSA or what?!?!?!?! For those of you who missed it, I can only say “What happens in AR-Kansas will have to STAY in AR-Kansas. I can report there were multiple Keystone Kops who were sheared, Nascarts who had to be told they were NOT on fire, Jeepsters without brakes, Mini-Cycles who couldn’t lose, Arab Patrolmen nearly losing their pants, and the cast of the Wizard of Oz on Parade at the Scimitar Potentate’s Ball! For details, you’ll have to talk to those nobles and find out the true story, or at least an embellished version.

Chief Aides Jerry & Susan Elscott and other Potentate’s Aides in attendance did a FANTASTIC job taking care of Midian’s hospitality room. Midian partnered up with the Arab Patrol to put together one of the best hospitality rooms in one of the nicest hotels we’ve been at for CSSA in several years. Being at the CSSA Headquarters Hotel definitely has it’s perks as well.

The Post-CSSA Party is coming up on September 10, 2016 and will be held in the Midian Oasis. The Kozzy Klowns may have a silent auction that night as well. The Oasis will be open at 5:30 and we will be serving a full menu for your dining pleasure as well as they’ll have some great drink specials. We’ll also have some musical entertainment for you that night as well celebrate the victories of Midian’s Units and Clubs at CSSA 2016.

2017 POTENTATE'S TRIP PRESENTATION  
SEPTEMEBER 12TH, 2016  
MECCA ROOM @ 6 PM

The next morning, the Midian Shrine Car Show will fire up as we host some of the coolest cars, hot rods, and specialty vehicles right here at Midian Shrine. The Car Show runs from 10am to 4pm, with judging starting at high noon.

VERY IMPORTANT: Coming up on our fundraising horizon is the 2nd Annual Festival of Trees. The Midian Ladies have done a tremendous job of putting this event together and we now need help selling tickets, volunteering to staff the event, etc. Please contact any Divan Lady or Lady Terri Wells to get involved in this event. Nobles and Ladies, we need this to be a success to keep on track for our budget this year. We need help selling tickets and getting the word out on Social Media.

Please remember, there are 2 FORMAL Membership Opportunities coming up. October 8 is the final C2A for the year and we will have a Membership Information Night on September 15th. Remember, ALL our Midian events are INFORMAL Membership Opportunities.

Coming up in November, we are looking to have one the largest Fall Ceremonial Classes in recent years. PLEASE come out and spend the entire day supporting the new Nobles and their Ladies. We will be at Midian for Pre-Glow with Noble Hank the Mechanic. We will be at the Best Western in Park City for After-Glow. More specific details will follow for what is needed from each unit and club for After-Glow. Due to the expense involved, I’m asking each club and unit to please chip in some money to help cover the room rental and the DJ Entertainment.

In closing I’ll leave you with this question to ask yourself: Are you part of the membership problem, or part of the solution? Who do YOU know that would make a good member? Who are YOU going to Top-Line THIS YEAR into the World’s Greatest Fraternity with the World’s Greatest Philanthropy?

Summer is winding down but the 3-Wheelers have kept a busy schedule. We sponsored the Pancake Feed during the Greenwood County Fair and were especially honored to have Imperial Sir Chris Smith and Lady Ethel along with Imperial Sir Jeff Sowder and Lady Cheryl with us for the event. I bet this is a first for the Greenwood County Fair to have not only one, but two Imperial Officers at our little County Fair! Thanks to Nobles Chris and Jeff for taking time out of your busy schedules to come together with like minds and hearts to attend. In fact, every month when this group can get together is very busy JULY. There were several parades for the Shrine – can come together with like minds and hearts.

Ladies --- It is a time of getting together and remembering what is going on in Wichita. Over the years Noble Nobles has had a large turn out --- Even Noble Bar & Grill, 207 E Wyatt Earp Blvd, Dodge City, KS 67801. Phone: (620) 225-1176.

At the recent C2A class, presented by Grand Lodge of Kansas, Harper Lodge #206 had NINE Entered Apprentices raised to Master Mason! Congratulations to Bobby Francis, Don, Devon and Ethan Howard, Casey, Cameron Denton, Rhett and Mike Klauer, and Eric Mathis. It looks like Harper County will have a very large group indeed at Fall Ceremonial! Until next time, keep buckin' !

Well another month has come and gone, how the time flies when you're busy, and down here in Buckin’ T country we have been VERY busy! We had our meeting Thursday night, had a really good turn out, got A LOT of things discussed as well as accomplished and things are going great! Now, for the past few months we’ve all put up with me babblering about our BIG fundraiser that we have been working on. Well I am happy to announce that we can finally set the bar pretty high for the rest of us. Our condolences go out to Chief Rabbah “Rocky” McWilliams at the loss of his father, “Rod” McWilliams. I am sure Towanda will not be same without him.

The club is investigating a lead on a potential fire engine for parades. Apparently it is more up to date and hopefully will be easier to maintain. I don’t have much more to report, so see you September 17th at our Second Chance Event.

Barber County

Greetings fellow Nobles and Ladies. This last month has really flown by for me. Seems like only yesterday when writing last months topics. Our unit had regular meeting on August 1st with good attendance. Lindsay Eli Irish came to the meeting and especially about sportsman event, which I understand was once again a great success.

Our unit discussed many events to take place. Every weekend for 6 in row has an event for us starting with the sportsman event, then the Harper co. parade on 8-13. The Firewagons had good attendance at the parade and I was impressed by the public attendance. Many blocks were crowned with adults and lots and lots of kids.

We are having our a annual golf scramble on 8-20 that’s always lots of good fun times followed by 2 weekends in a row of concession stand fund raisers. August 27th is musical festival at Hardtner Ks. and the next weekend 9-2 thru 9-4 Labor Day celebration at Stawo Ks. Plans were made to discuss in detail for each event. Then one more event on sept.10th which is Suppesville golf scramble which was postponed from previous date. So it’s a very busy time of the year for our unit and as well for all units I’m sure. It’s all for the “Kids” which makes it more than worth all the time and energy.

Gardner, Lee. This is a great opportunity for one or more of these treasures and a meal with some fine folks. This is a second chance for a gun. Noble Noble will keep us informed.

Nobles & Noble are the Midian Pirates. Thanks to Noble Noble will keep us informed.

The Dodge City Shrine Club will hold their SEPTEMBER 2016 meeting on Wednesday, 19th 2016 at Central Station Bar & Grill, 207 E Wyatt Earp Blvd, Dodge City, KS 67801. Phone: (620) 225-1176.

For the month of August 2016 with all that is going on with farming – getting ready for school again in September and for some end of August. The unit had a TRULY great turn out --- Even Noble Reiferd & Lady Judy Acord from the Kansas Shrine travelled all the way to Wichita drove out for fellowship and to talk about what is going on in Wichita. Over the years I have come to realize that this one night per month when this group can get together is very important to these Noble Brothers and their Ladies --- It is a time of getting together and sharing what has been going on for the past month and most of all just a time when people can come together with like minds and hearts for the Shrine.

Well to be honest – the Shrine group had a very busy JULY. There were several parades out in Western Kansas that the Shrine took the Fire truck and other vehicles to. The “BIG” event for the month was the Dodge City Days Kiddie Parade. The rest of the month most of the group were, involved with the farming of the fields and cattle and the weather made most of the Noble Brothers be involved with things on the home front –
There were quite a few patrolmen at the Kansas Shrine Bowl in Emporia. Captain Kyle Rhorer and Veteran Terry House came up Saturday and rode on the Hospital Van. The other patrolmen had duties in other units.

First Lieutenant Larry Tomes and I worked the entire weekend as members of the Kansas Shrine Bowl Board of Directors. High Priest and Prophet Jay Danler, Oriental Guide Norm Conley, and First Ceremonial Master Steve Travis were busy with their duties. Following the Shrine Bowl Board of Directors meeting Sunday, First Lieutenant Larry Tomes and I was able to make it to Wichita in time for the Arab patrol Family Oating at Boeing Lake. Patroo were busy with their duties and Veteran Patrolman Lloyd Geist were busy grillin’.

Taking a tour inside, it was nice to see many of the active Patrolmen and their ladies. Special guests included past Captain Bill Stevenson with Lady Dottie, Vitamin Gary Young with Lady Shirley, Veteran Ron Smith with Lady Carol and Lady Bernie Sanders. Captain Kyle Rhorer would like to thank the many patrolmen that helped out at the Dice table at the Sportsmen’s Raffle the following weekend. According to some sources, the Arab Patrol Dice game was one of the top money makers for the game events.

The following weekend was the Arab Patrol’s “On To” party. Words cannot express how much the Patrol appreciates Past Potentate Doc Remser and Lady Teresa for hosting the event at their residence these past years. Captain Kyle Rhorer also want to thank Veteran Bill Ewertt with his daughter, Lady Melody, Veteran Gary Young with Lady Shirley, Veteran Ron Fisher with Lady Lise, and Lady Bernie Sanders for attending the party and wishing the Drill Team luck as they try for the “threepeat”. I understand that Ladies Anita Simpson, Michelle Fisher, Nita and Melody Arndt, been a distinct pleasure of meeting and having my granddaughter, Kaylie Wilson, as their Art Teacher. Sure is a small world.

On a sadder note, the Patrol sends their thoughts and prayers to families of Lady Jo Rhorer, Lady Aubrey Travis’ father, Past Captain Dick Simpson’s mother, and Lady Jackie Wilson’s daughter. A memorial was also given to Lady Karen Smith’s son, Jeremy. Until next time, keep in step.

Our next meeting will be September 8th in the Oast at Midian. We will meet around 6:00pm for Social time and our meeting will be around 7:00 PM. We would like to also ask anyone that wants to just meet and greet and say hello, We would like to meet you.

Q: What’s the difference between an oboe and a bassoon? A: You can hit a baseball further with a bassoon!

Q: What’s the difference between a banjo and an onion? A: No one cries when you chop a banjo.

The next camp out of the Midian Nomads will be September 16th & 17th at Lake Afton Shelter #1. Friday evening the grill is hot! Bring you dinner to the grill and enjoy the company of fellow Shrine families while your dinner cooks. Saturday activities are; breakfast at 9am, meeting begins at 2pm with the white elephant auction immediately following and a pot luck dinner at 5:30pm. If you would like additional information please contact Noble Ray Richvecky, Wagon Master at (316)250-4374. See you at the lake! Remember, home is where you park it!!!

Midian Classics

In August we wrapped up planning for our CSSA trip to Little Rock. Nobles Jim Groff, Cliff Premer, Bob Giesen, Bob Fox, Gary Harris and Daryl Crotts will be in attendance. Our group is looking forward to a great time and hopefully everyone will remember to bring their keys this year.

At the end of July several of us road tripped to Emporia to take part in the Shrine Bowl activities. Nobles Jim Groff, Cliff Premer, Bob Giesen and John Stewart made the parade on Saturday but Cliff had to bail two blocks into the parade when his car overtook the parade and John Stewart was letting him hop in and finish the parade. In August Noble Jim Groff and Illustrious Sir Terry Schrant made the trip to Harper for the parade. Thank you Harper County for the great hospitality.

Hospital Van Drivers

First, a big thanks to all the volunteer drivers, both nobles and ladies, of whom I am proud to be a part. Midian is especially grateful for all you do transporting our precious cargo.

About the vans: Last fall Fisher’s Care has done an excellent job on the seats and carpets on all five vans. Thanks to Noble Jim Groff and Lady Kay Premer. Happy anniversary wishes to Noble Rodney Ott and Lady Sandra, Noble Bob Fox and Lady Donna and to Illustrious Sir Terry Schrant and Lady Pam.

Are you interested in Classic Cars? Come join the fun with the Midian Classics. We meet on the 2nd Wednesday of each month in the Pyramid Room at 7:00 PM. If you’re interested in finding out more about the Classics, contact Noble Bob Giesen at 316-721-4178, or stop by during one of our meetings.

Ambassadors

Our Unit met this month at the Candle Club. Our hosts for the gala were Noble Terry Kulshman and Sherry Burnett. Thank you very much. Our attendance was short in that many were with our Liaison Officer, Chief Rabbi at Rocky McWilliams at C S S A, in little Rock. Our condolences go out to Chief Rabbi “Rocky” and all of the McWilliams family at the loss of his Father and our Honorary Member.

Many of us had a fun time attending the Sportsman’s event, August 6th. I do not know of any Ambassadors who won a new gun. But, it wasn’t for lack of trying. I’m told that we did even better this year than last and that’s good for the financial health of our event.

CLIFF PREMER

Noble Jerry Mason has a new addition to his garage. He recently picked up a black 2013 Corvette. Can’t wait to see it in an upcoming parade.

Happy birthday wishes to Noble Jim Groff and Lady Kay Premer. Happy anniversary wishes to Noble Rodney Ott and Lady Sandra, Noble Bob Fox and Lady Donna and to Illustrious Sir Terry Schrant and Lady Pam.

Are you interested in Classic Cars? Come join the fun with the Midian Classics. We meet on the 2nd Wednesday of each month in the Pyramid Room at 7:00 PM. If you’re interested in finding out more about the Classics, contact Noble Bob Giesen at 316-721-4178, or stop by during one of our meetings.

Motor Patrol

Mickey West held the August meeting at the Rolling Hills Country Club. Members attending attended Noble Mickey West, Paul Mayfield II, Lt, and Noble Lynn Ungle, Treasurer, PP John Auch, Horst Hiller, Loren Wormington, Ole Davy Johnson and new member Michael Range, Richard Darge, Jeff Breault and Bob Ragsdale.

The Pirate Bash saw MP Noble Loren Wormington and Lady Leslie, Lynn Ungless and Lady Laurie and PP John Auch and Lady Julie watch the activity. I came in costume as Pirate Parrot the Pirate Parrot with a Pirate monkey on my shoulder. Lady Debbie brought the grandkids down to eat dinner in the Scimitar room before the event. I am not sure the grandkids appreciated my Pirate Parrot costume...

I agreed to print a retraction of a second hand story about Noble Horst Hiller when he it in the hospital. It seems the details were in error. This of course will cause many of you to go back and read it again, but also I told him I would print a retraction.

The motor Patrol paid their respects at CR Rocky McWilliams father’s memorial service. I was proud to see all of the Midian Friends at the service. Losing your father is difficult for any one. Shrine Bowl saw MP Rocky McWilliams, Lady Bev, and I attending the Banquet. We had a great time with our brothers and sisters from the other Kansas Shrine Centers, Honorary MP Imperial Sir Jeff Sowder and lady Cheryl and Imperial Sir Chris Smith and lady Ethel. The Parade brought the Orange Jeeps of PP John Auch, PC Lynn Ungless and Lady Laurie, Michael Raines and Lady Julie, Noble Austin Henry, Noble Bob Ragsdale, PP Ron Capps to Emporia. The weather was good and there was a great line of great spectators from Kansas Shrine Centers lining the parade route. The MP had a great time rolling back to Wichita.

The Sportsman’s Raffle saw PP Ron Capps and Noble Jeff Breault stepping up to sponsor tables at the event. Thank you from Midian. The Event saw Noble Paul Mayfield winning one of the guns while he attended. Also at the event were MP Lynn Ungle, Reifer Accord and Lady Judy, Bob Ragsdale, PP John Auch and Lady Julie and Lady Debbie Conley, who sang acapella when some of our acts cancelled at the last minute. She did a good job with the banner and the decorations. The People’s choice earned money for the Plane of Mercy and the Hospital funds. It was good fellowship and it was a successful event for the Oasis.

The on Saturday evening the MP carried the Dennis in the Harper County Fair parade. Treasurer Lynn Ungle, Lady Laurie let Noble Paul Mayfield and Lady Rebecca, Noble Bob Ragsdale, Noble Michael Raines and Lady Julie, Noble Austin Henry, Noble Bob Ragsdale, PP Ron Capps to Emporia. The weather was good and there was a great line of great spectators from Kansas Shrine Centers lining the parade route. The MP had a great time rolling back to Wichita.

Shrine and our Unit commission. Recovering in the sick bay of our boat are: Noble Glenn Holmes, Noble Art Van Dresser, Noble “Andy” Roberts and Noble “Gene” Lygrisse, P.P. These men make up four very important slots within our unit.

Many of you Ladies may not be aware that Lady Elizabeth Piper has started a luncheon social for all Ambassador Widows who might care to join her. It’s at 11:30 a.m. every Friday at the Larkspur on east Douglas. We are encouraged to attend.

Our Director General Noble Ray Barber and Lady Anne were last seen at Mt. Rushmore in South Dakota. We’re told that Noble Ray is exploring the possibility of another head being added to the sculpture. We’ll await his findings.
Greetings from Toon Town once again Nobles, Ladies and friends. There hasn’t been much值得一提 on past events so this will be relatively brief. First off, a huge thank you to all the members and ladies who helped out with the beer garden at the Sportsman’s Event. It was very well attended, and despite being more busy, everything seemed to run much more smoothly. We didn’t seem to have as many problems at the taps, we sold out of the cups pretty early; and there never really seemed to be any particularly long lines of folks waiting. So you all did a fantastic job of running that thing like pros.

On the tractor front, things seem to be coming together nicely. There are still a few things that need to be finished up on the tractor and trailer, so if you’ve got some free time and want to lend a hand, I’m sure the help would be welcomed and appreciated. Looks like we are still planning to debut the new rig before the years end.

Parade season this year has felt a little light compared to years past, but that’s ok, because we’ve got several other events coming up soon. The Leukemia Lymphoma Society has their Light the Night Walk coming up soon, and we are still working on the Buddy Walk for the Down Syndrome Society. Remember to keep an eye on Facebook and Email for more info on those as they approach.

The last major thing on our radar is the Festival of Trees. We have been asked again to donate a tree, which is so far still in the planning stages. If you have a desire to help with that in any way you can, get in touch with the Ladies. I know they’ll appreciate it. We’ve also been seeing lots going on this last month with the Midiancartoons. We have been asked again to donate a Santa photo booth. We are still working out the details on that but we definitely need lots of support on that.

Finally I would just like to say how proud I am of the group we’ve got. The Cartoons has been one of the fastest growing, most active and most successful units here at Midian. That success is not because people simply enjoy standing in the heat wearing fur coats. It’s because we have a great young membership base that is enthusiastic and willing to take on big things. It’s easy to get stressed and overwhelmed when we do some of these things, tensions rise and feelings can get hurt. We aren’t perfect by any means, but remember that we are all Mason’s, and we should always conduct ourselves as such. If we are unable to work through difficult times and strive to maintain tolerance, harmony and brotherly love, then the foundation of who we are as fails. I have full faith that our members are the strongest people I know, and any differences or disagreements we have should, and will, be worked through and put in the past.

Thank you all for your attention. Don’t forget our meetings are the 2nd Thursday of every month, 6:30 pm in the Isis room. We love showing everyone how our meeting should be and our website is midiancartoons@gmail.com. Drop us a line if you’ve got any questions or concerns. Elections will be coming up soon. Kevin Moore has expressed interest in Sergeant at Arms. Remember, anybody interested in a position can show up and express interest. Until next time, That’s All Folks!!

Arami Court and its units have been very busy this summer.
The Bloomin’ Buddies visited Meadowlark Farms in July to pick peach es. Yum! We’ll do it again next year.
The Kulinary Kuties served Sunday dinner at Sunflower Lodge in August. They’ve been making homemade vanilla and testing goodies for the Fez-tival of Trees Sweet Shoppe.
The Kibetzing Haz Benz will be performing at a pumpkin patch and at Rock River Rapids.
A big CONGRATULATIONS to the Kibets for their presentation at the Mid-States Unit Meet in Ft. Worth, October 8-10. They are also getting ready to host “Grocery Dash” on Sep. 18. Dinner is $25 per person. Opportunities will be available to participate in the “dash”, a run through a grocery store (after hours, of course) filling a shopping cart along the way. Tickets are available now.

NEXT GENERAL MEETING
Tuesday, September 6th at 7:00 pm, Midian

We also NEED your BEAUTIFUL tree!!

Deadline for registering is September 16th!

Here are a few Guidelines to help you:

- All Trees must be artificial trees.
- We recommend 4 to 8 ft. trees that are pre-lit or you can supply your own lights.
- Trees must be properly secured for free-standing. A good solid stand will provide best stability.
- A tree skirt or stand covered with cotton batting or material is recommended and will go with the tree.
- Items placed at the bottom or on the skirting will be considered part of the tree and will be given away.
- A new 9ft extension cord must be provided. It must meet standard electrical codes and it will go with the tree.
- You need to select a theme of your choice, the theme may represent your business, areas of interest, the holidays, or any other theme that you would be proud to have your business or group associated with in the public eye. We will provide the sign to be used to display your company/group name and your theme.
- Empty boxes decorated as Christmas gifts and placed under the tree must be labeled “for display purposes only” on the package or they will go with the tree.
- Bring all empty tree and decoration items with you when you come to set up your tree as we will need them for the winners of the tree. Plastic Storage Containers are a great idea. Boxes will be marked with donor’s name.
- Each tree will be assigned an 8’ x 8’ space (if space allows) to decorate your tree.
